

## **2C.P5/2C.M5**

Use information from your observation sheet, lesson plan reflection and participant feedback , to reflect on your leadership performance. Describe, explain and justify your strengths and areas for improvement.

### **Strength 1**

- Describe a strength of your leadership performance (What was the strength? Demonstration of attributes, completion of responsibilities e.g.: planning, organisation, communication):

- Explain how you know this was a strength (Why was it a strength? What did you do to show this?)

### **Area for Improvement 1**

- Describe an area for improvement in your leadership performance (What was the improvement? Why did it not go well? Discussion of attributes, completion of responsibilities e.g.: planning, organisation, communication):

- Explain why this was an area for improvement (How did it affect your leadership performance?):

- Targets for future development (What will you do to improve next time?):

- Justify why you have chosen this target for development (Why will improving this make you a better leader?)

- Explain why this was an area for improvement (How did it affect your leadership performance?):

- Targets for future development (What will you do to improve next time?):

- Justify why you have chosen this target for development (Why will improving this make you a better leader?)
