10 July 2024

Dear Parent / Carer

GCSE Examinations Results – Thursday 22 August 2024

We are looking forward to the opportunity to welcome back our Y11 students to collect their examination results, to celebrate their successes and ensure that they have secured their preferred Post 16 destinations. We will have staff on hand that can help students understand their results and give them appropriate guidance.

We will be in touch via email/text over the coming days with a time of arrival for each student in order to allow friendship groups to come and collect their exams together.

Students need to arrive at their given time to receive their results and must make their way down the side of the building to the sports hall entrance.

If students would like a parent / carer to collect their results, then they need to fill in the Result Collection Form on the next page. This needs to be signed by the student and brought into school by the person collecting the results at the time indicated in the table above. **Results will not be released to anyone other than the student if a signed form is not provided.**

If no one is available to collect results on this day, they will be held in school and can be collected at any time when reception is open.

All information regarding the results day arrangements can be found on our school website at: [Exam Results Day and Post Results | Bradford Forster Academy](#)

Yours faithfully

Diane Whitehead
Vice Principal
