Re: Krakow Trip Update

Dear Parent/Carer,

Thank you for your continued patience and support in our BFA Krakow trip 2025. We are very grateful for your timely payments and would like to confirm that payments to the trip are going as planned and we are looking forward to our departure next year.

The first two deposits have now been made to the company and we would like to take this time to remind you that the third deposit of **£110** that is due on ParentPay by the **11th of November 2024**.

Thank you to those who have already paid this sum or are already making contributions; if you have any problems or questions about the next payment please do not hesitate to contact me using the details below.

As we are held to payment dates stipulated by the company to confirm the trip, we need to inform you that should you be unable to fulfil the deposit payments for your child's space, their space may be offered to another student on our reserve list to ensure that the trip can go forward. We obviously do not want this to happen so please contact us if necessary.

We also need to remind you that at this point money is non-refundable for any reason excluding those that are supported with a note from your child's GP.

Yours Sincerely,

Miss K Scott
