

DSK/EMY/RMW

16th March 2026

Dear Parent/Carer

I hope this letter finds you well.

We are writing to inform you that your child has been absent from school on Fridays during this half term.

If your child's overall attendance for the academic year to date is above 95%, this is not something we are currently concerned about. However, we do closely monitor patterns of absence, including repeated absences on particular days of the week such as Fridays. Our aim in doing this is to ensure that students do not miss unnecessary learning time and continue to make good progress in school.

At this stage, this letter is simply to make you aware that we are monitoring Friday absences to ensure they do not become a regular pattern. If your child's attendance remains strong overall, there is no further action required.

If there are any difficulties or particular issues that are making Fridays challenging for your child, please do not hesitate to contact the school. We are always happy to work with families and offer support where needed.

Thank you for your continued support in ensuring your child attends school regularly and benefits fully from their education.

Yours sincerely

D Schack
