10th March 2026

Dear Parents/Carers

You child is currently working to complete the **Non-Examined Assessment (NEA)** component of their **GCSE Food Preparation and Nutrition** qualification. The NEA is worth **50% of your child's final GCSE Food Preparation and Nutrition grade.**

The BFA deadline for the completion of the NEA, in order to ensure that all pupils' work is assessed and marks submitted to the exam board in a timely fashion, shortly after the Easter break, is **Friday 27th March.**

To ensure that all work is fully finished and completed to a standard which will enable your child to reach their target grade, we are running two additional, extended after-school intervention sessions in advance of the deadline on Friday 27th March. The sessions will run on the dates and at the times shown below.

Thursday 19th March - 3:00pm to 5:00pm

Thursday 26th March - 3:00pm to 5:00pm

I am writing to ask you to support and encourage your child to attend the sessions. Failure to attend may negatively impact your child's final GCSE grade.

The sessions will take place in **room C0.2**. The sessions will be staffed by myself and **Mrs Aedy**. Refreshments will be provided to help sustain students through each session and their longer school day.

I would also like to take this opportunity to ask you to **support your child with their preparation for the GCSE Food Preparation and Nutrition** exam which takes place on **Thursday 11th June**. All students have been issued with **revision workbooks and revision guides**, and all students should be **completing both the weekly set revision tasks** as well as their own independent study and revision.
