Re: Celebrating Our SIAMS Inspection Outcome

Dear Parents/Carers

I am delighted to share with you the report following our recent Statutory Inspection of Anglican and Methodist Schools (SIAMS). [It can be found here on our website.](#)

The inspection concluded that Bradford Forster Academy is *"living up to its foundation as a Church school and is enabling pupils and adults to flourish."* Inspectors recognised the strength of our leadership, the positive relationships across our community, our ambitious curriculum, strong pastoral support and the culture we are creating where every child is known, valued and cared for.

Whilst we are incredibly proud of this outcome, what gives me the greatest satisfaction is that the report reflects the experiences of our young people each day. It recognises a school where high expectations are matched by genuine care, where pupils feel a strong sense of belonging, and where everyone is encouraged to flourish both academically and personally.

I would like to take this opportunity to thank you for the support, trust and encouragement you provide to the academy. The positive culture recognised by inspectors is only possible when schools and families work together. Your partnership with us plays a vital role in supporting attendance, learning, behaviour and wellbeing, and helps us create the conditions in which young people can thrive.

The report celebrates many of the strengths that we are developing together as a community. However, we are clear that this is not the end of our journey. We remain ambitious for every student and committed to continuing to raise standards, strengthen opportunities and ensure that Bradford Forster Academy becomes a school that our entire community can be proud of.

On behalf of everyone at Bradford Forster Academy, thank you for your continued support. We are proud to share this report with you and look forward to continuing our work in partnership as we build on this success.

Yours faithfully
